

APPLICATION FORM FOR RETIREMENT PENSION

You can use this application form to apply for payment of your retirement pension.
The application will only be processed if you have submitted this request to us between three and six months before the desired commencement date.
PDN assumes that you will inform your employer if the commencement date of your retirement pension is the date on which you will leave employment.
Once PDN has received the form, your application will be processed and you will receive an offer with a questionnaire (no earlier than four months before the commencement date).
